

ECKLER'S® 1953-62 QUALITY INTERIOR TRIM

~~TYPICAL INTERIOR PACKAGE PRICING~~

1956-62 Interior Color Codes

These codes simplify the ordering of interior trim. Locate the year, color, and code. When ordering, add a hyphen and code to the catalog part number. Example: To order 1959 seat covers in red, would be part number 27977-13. **Color code must be added to all part numbers where this symbol is displayed, †**

			
59-62 Black Code 14	58-60 Blue Code 11	61 Blue Code 15	58 Charcoal Code 10
			
56-57 Biege Code 07	61-62 Fawn Code 16	56-58 Red Code 08	59-62 Red Code 13
		Note: Colors shown are approximations to assist in determining interior color. Actual material samples may be requested.	
59-60 Turquoise Code 12	61-62 Olive Code 14-U		

1958 Black Interiors Available!

While the Charcoal interior was original for 1958, many Corvette owners prefer the traditional Black interior. All 1958 interior items are available in Black.

Seat Cover Installation

Let Eckler's take the hassle out of recovering your worn and dirty seats! Just send your seats to us, and we'll do the rest. Our installation experts will ensure that your new seat covers are installed correctly. The entire process takes about two weeks. And the workmanship is guaranteed for a full year! Seat covers, foam, and any necessary hardware must be purchased separately. Price shown includes labor only. Call 1-800-327-4868 and ask to have information on seat cover installation sent to you.

1958-62 Console Tunnel Insulation

- Greatly Reduces Cockpit Heat
- Fits Under Console Trim & Carpet
- Easy To Install

As the owner of a 1958-62 Corvette you know the cockpit can get extremely hot. In fact, 1958-62's didn't even have tunnel insulation. Now you can add insulation that incorporates today's technology in an easy to install insulation that doesn't require getting under the car. Simply remove the console trim, peel back the carpet and use 3M Spray Trim Adhesive (P/N A5409) to glue the insulation in place. The insulation is precut so no trimming is required. Made of a fiberglass composite and joined to an aluminum skin, you'll find this insulation makes a big difference in interior temperatures.

1956-62 Sport Size 15" Replica Steering Wheel

- Sport Size 15" Diameter Makes Entry & Exit Much Easier (Stock Size 17")
- Rim Is Painted Factory Interior Colors Or Wood
- Larger Than Stock Grip Size Gives More Comfortable Feel

For upgraded comfort with a wheel that looks stock, this is the wheel to choose. The thicker grip size and 15" diameter are ideal for upgrading your classic Corvette from its old "school bus" size wheel. Plus this replica has a painted urethane rim that won't crack like the original plastic design. The polished stainless steel spokes add another level of authenticity and you can use the stock horn cap with this wheel. You'll find this wheel easy to install and we've included the necessary rivet kit to make the installation a snap.
