

Pinnacle Leather Cleaner & Conditioner is premium leather care in one easy step!

Directions:

1. Vacuum seats thoroughly.
2. Test an inconspicuous spot for color-fastness. This is recommended with any leather product.
3. Mist the seat and massage the cleaner into the leather with a **microfiber applicator pad**.
4. Buff away excess with a clean microfiber towel, such as the **Cobra Microfiber Detailing Cloth**.
5. **Pinnacle Leather Cleaner & Conditioner** absorbs and dries quickly. The driver's seat will dry in a matter of minutes.
